is the digital real estate that need to invest in if you want business to stand out in the led online marketplace."

- Kunal Bahl

"Inquiry forms on real estate websites are the first steps towards finding the perfect property, just as a single drop initiates a ripple effect."

- Kiran Mazumdar-Shaw

Search Engine Optimization

Times dealers have website but that is not friendly and also not cross platform friendly. Because if you are visibility, then you are out of the mind. But SEO dealers are using potential clients. While SEO is very slow to get it done for business website.

main based website that dealer, which is

Inquiry/Appointment (Website to APP)

Without scheduling inquiry/appointment, property dealers may face disorganization and inefficiency. They risk double bookings, missed opportunities, and client frustration. Additionally, it's harder to provide personalized service and adequately prepare for client meetings. A lack of structured appointments can lead to time wastage and damage image of the dealer

Within "dhaxo" app, we are providing appointment/inquiry form within website for property
